WHAT IT IS:

A comprehensive program to learn and implement the Healers Who Share system. Learn how to easily integrate into your current business or create a new practice, using our technology, tools and formulas. Ancient wisdom easily accessed, expanded and translated for the modern world.

Learn how to do an Energetic Field Analysis; how to do an acute issue analysis; dynamically implement the frequency waters; identify and work with subconscious limiting beliefs and patterns that are pulling in the physical reality.

What you will learn:

- How to use the HWS system to enhance or create a wellness practice/business
- How to seamlessly integrate these tools into your business month by month
- How to practice and utilize spiritual and body intuition
- How to match frequencies to what shows up for your clients
- How to identify the spiritual and root messages of a variety of energies including pathogens, syndromes, aches and pains, emotional and physical blocks
- A unique, bio-individual approach to assessing clients
- A fresh perspective on the human body, it's inner workings and its relationship to the outer world
- How to deepen your practice of tapping into universal information
- How to develop and maintain a self-care practice as a foundation to being a successful practitioner
- How to practice subconscious belief work for yourself and clients
